Dear Redford Union Families,

I write to you today with an update on some administrative developments with our District leadership. At a Board meeting last evening, the Board placed Superintendent Jasen Witt on non-disciplinary administrative leave. At the same time, the Board engaged the law firm of Miller Johnson to review matters related to District management and operations.

Because this is a personnel matter, the Board is limited in the information it can share at this time. However, please know that The Board and District leadership remain committed to the continued success of our students.

During this period, the Board has appointed Ms. Judy Nachman to serve as interim superintendent. Ms. Nachman, who is currently the Director of Human Resources and previously served as the Principal at Redford Union High School, will receive the full support of the District's leadership team to ensure that our students, staff and schools continue to be well served and that all District operations move forward without interruption.

We understand that situations like this can raise questions and concerns. Please be assured that the Board's actions are guided by what is in the best interest of our school community. Our commitment to providing a safe, high-quality learning environment for every student remains unwavering.

Thank you for your continued trust and partnership.

Sincerely,

Evelyn Pridemore
Board President
