Appeal Hearing(s) for one student:

A. The Parents/Guardian representing SH #1 have requested to remain in open session.

Open Session  
 SH #1

**MOVED** by Caloia, seconded by Gubachy, to remain in open session for the purpose of parent/guardian appeal of Disciplinary Hearing Review Committee Recommendations at the parent/guardian(s) request.

President Kurland explained the process.

Superintendent Shivers read the statement. The date of the incident was Wednesday, September 28, 2016. The report was written by Dean of Students Mr. Marable, Hilbert Middle School. Student #1 was seen on video getting off the bus and walking fast upon an unexpected student. Student #1 assaulted the unexpected student. The unexpected student suffered serious physical damage to the eye, cheek, nose and head area. Student #1 has been charged with assault against a student, a level 3 violation.

President Kurland said that the Board could hear any new evidence presented that was not available during the Disciplinary Hearing. The Board would then make a judgment call as to whether or not to send it back to Disciplinary Committee for a new hearing.

President Kurland had everyone around the board table introduce themselves. The parent introduced herself.

The parent said she didn't have any new information. She said that her daughter was angry the day that she picked her up. The parent said her daughter cried and that she never did anything like this before. The parent said someone made a fake Facebook page and used her daughter's name and her profile picture and said it was her. The parent met with Ms. Sharp, Mr. Marable and the other parents. The students said it was squashed but it was not. The parent said her daughter was wrong for what she did. She said that is not how she and her husband are raising their children. The parent said if she had known she needed to bring her daughter, she would have brought her so she could speak for herself.

President Kurland asked if anyone had any questions. She also told the parent that she was not required to bring her daughter.

President Kurland told the parent if there was no further questions, that the Board would deliberate and that she would receive a phone call from Jackie Warren tomorrow with their decision.

The Board said thank you.

The Board discussed the documents presented in the board packet and the conversation with the parent.
