Dear Redford Union Families, Staff and Community Members,

On behalf of the Redford Union Board of Education, I am thrilled to share some wonderful news with our entire Panther community. At our recent Board meeting, we voted unanimously to remove the "Interim" title and officially appoint Judy Nachman as the Superintendent of Redford Union School District.

Since her appointment as Interim Superintendent, Judy has stepped up with extraordinary grace, energy and vision. Having served our district with distinction prior to taking on the interim role, she brings an unmatched depth of institutional knowledge, a deep love for our community and a proven track record of steady, compassionate leadership. It quickly became clear to the Board that the inspiring leader we needed to guide our district forward was already right here at home.

Judy's passion for education is contagious, and her commitment to our students is unwavering. Alongside our dedicated teachers, support staff and administrators, Judy is deeply focused on fostering an environment where every single student is empowered to achieve academic excellence and thrive personally. Under her leadership, we will continue to build strong connections between our schools and families, ensuring that every child feels seen, supported and challenged to reach their fullest potential.

Please join me and the entire Board of Education in warmly congratulating Judy on this well-deserved appointment! We are so excited for the bright future ahead of us, and we invite you to continue partnering with Judy and our leadership team as we make this school year one of our best yet.

As we head into this season of gratitude, I want to thank you for your ongoing trust, partnership and Panther pride. Wishing you and your loved ones a safe, restful and wonderful Thanksgiving.

Warmest regards,

Lorna Dean
President, Board of Education
Redford Union School District
