

HELP US PRESERVE HISTORY AT THE REDFORD UNION SCHOOLS' "OLD SCHOOLHOUSE"

We are excited to share the renovated and upcoming reopening of the **historic Old Schoolhouse** located at 18499 Beech Daly Road, Redford Twp., MI 48240. As we wrap up the restoration of this beloved landmark, we turn to you, our community, for assistance in bringing history to life.

A Call for Donations:

To capture the essence of the time period of the early 1900s from which the Old Schoolhouse originated, we are seeking donations of **old school furniture** and **other items** that embody that era. These could include, but are not limited to:

- Antique student desks
- Antique teacher desk
- Chalkboards
- Vintage globes
- Textbooks or classic books from the era
- and other items

Your contributions will help us create an authentic and educational environment, allowing future generations to step back in time and experience the rich history of our community. Whether it is a cherished family heirloom or a unique past find from an antique store, each item will play a vital role in telling the story of education in Redford Township.

How to Contribute:

If you have item(s) you wish to donate, please contact Miles Tomasaitis, Director of Buildings, Grounds, Transportation, and Security at tomasam@redfordu.k12.mi.us to arrange a convenient drop-off or pick-up. We appreciate your generosity and support in preserving the legacy of the Old Schoolhouse.

Together, let us honor the past and inspire the future.
Thank you for your support!
