Dear Panther Families,

From the bottom of my heart, thank you! Yesterday, our community demonstrated its deep commitment to our students and schools by overwhelmingly approving the Redford Union School District operating millage restoration proposal with 62% of the vote.

Your vote of confidence fills our halls with excitement and pride. By restoring our operating rate through 2030, this measure will protect crucial day-to-day school operations to directly support our classrooms, programs and staff.

Every single child in Redford Union deserves access to a safe, inspiring and high-quality education, and today our future is brighter because of you. Thank you, again, for championing our learners, standing up for public education and showing what a united community can accomplish.

With gratitude and Panther pride,

Judy Nachman
Interim Superintendent
