

# Redford Union High School

## Social Probation Policy

Social probation prohibits students from attending or participating in non-mandatory school functions, activities, and events. Social probation is an alternative to immediate suspension as a means to keep students engaged in the classroom. Redford Union High School will impose social probation for minor infractions including, but not limited to, committing horseplay, chronic absenteeism (more than 10 days), skipping, and tardiness. The consequence scale seen below will be in effect after the first infraction by a student.

Non-mandatory school functions, activities and events include, but are not limited to:

- Athletic practices/game including off-season workouts
- Homecoming Dance and Prom
- Spectating athletic events, plays, concerts, etc.
- Student clubs
- Student Council meetings and events
- Fundraising events
- Marching band
- Senior Night
- Activities related to graduation
- Commencements
